A mandatory meeting for all parents will be held from 7:00-8:30 p.m. on April 6 at the Becton Theatre. At this time, you will have the opportunity to meet the staff, and others involved in CINDERELLA. You will receive most of the information you will need throughout the production. The parent meeting is also where we will be forming the volunteer committees. GTG is proud to be able to provide the many talented performers of this area with an opportunity to participate in a unique theatrical experience. A production of this kind relies on the willingness of parents and friends to volunteer their special skills. We have appropriate jobs at convenient times for everyone, and all parents and cast members will be asked to help in some way. **We expect each family to volunteer at least 25 hours** (15 additional hours for the second child and five per child for the third and fourth) **during the course of the show. If you are unable to volunteer due to time constraints, you can instead choose to pay \$250.00 for the 25 hours** (\$10/hour for additional hours). **In addition to the 25 volunteer hours, each family is required to be a rehearsal monitor for 2 rehearsals. Every family is expected to participate in Load-In and Strike.**

Please be sure to bring with you to the Parent Meeting:

- Any completed forms not already turned in
- Calendar through December so you can sign up for committees and other activities

Again, if you have any questions, please ask one of our parent volunteers wearing a name tag
