

## **GTG REFUND POLICY**

1. The basic cost to participate in a GTG production is \$300. This payment, along with a \$75.00 costume fee is due at callbacks. These payments do not include such incidental expenses as cast party attendance, show T-shirt, mug, tickets, photos etc; these items will be expensed separately.
2. GTG's acceptance of this payment is our commitment to your child's casting and performance in this production. GTG can make no commitment regarding specific roles
3. Your child's commitment to GTG is to participate in our production fully. In addition to your child's regular attendance at rehearsals, learning of parts as scheduled, and respectful attention to all GTG staff and adult volunteers, your family will be required to donate 25 hours of volunteer time, plus monitor two rehearsals and participate in load-in and strike, to assist with the production. (15 additional hours for the second child and five additional hours per child for the third and fourth)
4. Should you or your child have any doubts about the commitment, please take time prior to next week's parent meeting to review the production schedule, and your own schedule, and to make certain that the GTG commitment is right for your child and your family

### **5. PLEASE NOTE:**

**Should your child decide not to participate, for *any* reason, you must inform The Garage Theatre Group *in writing* NO LATER THAN THE END OF THE INITIAL PARENT MEETING, in order to receive a prorated refund of \$260.00 plus your \$75.00 costume fee. GTG will retain \$40 of the registration fee toward expenses associated with the audition and casting process**
